

Foreign students - Documents for enrolling in the Master of Science in Energy Engineering at the University of Genoa, Italy

- **Bachelor degree** (original or certified photocopy), authenticated by the Italian Diplomatic or Consular Authority in the country where the degree was obtained.
- **Official translation in Italian** (provided by the Italian Diplomatic or Consular Authority in the country where the bachelor degree was obtained, or by an official translator and confirmed by the Authority itself, or validated by an Italian Court)
- **“Dichiarazione di Valore”** (in original) provided by the Italian Diplomatic or Consular Authority in the country where the degree was obtained.
- **Transcript of Records**(original) with a detailed list of all the subjects, marks (or grade) and credits taken to obtain the degree, authenticated by the Italian Diplomatic or Consular Authority in the country where the degree was obtained, with **Official translation in Italian** (not required if the certificate is provided in English, French, Spanish or Portuguese).
- **Syllabus** (on headed paper of the foreign University and with the original stamp of the University on each page) of each subject included in the foreign curriculum, with **Official translation in Italian** (not required if the syllabus is provided in English, French, Spanish or Portuguese).

Please consider that the admission to a master degree course depends on the competent MSc Course Board approval (based on the above documents and regulations) and that an Admission Test is required after this approval.

Students from non-EU countries must apply at the Italian Diplomatic or Consular Authority in their Country. Deadlines for each academic year are published on the website: www.miur.it - (item Università - Studenti - Studenti stranieri).

Please consider that each academic year a limited number of students from non-EU countries can enter each Faculty; the number of students admitted, divided per course, is published on the above website.

Further details about the University of Genoa are available on the official website of the university: www.unige.it . Useful information about the courses offered each academic year is available at this link: <http://www.studenti.unige.it/offertaformativa>

For further information about the course of your interest and its regulations, please visit the course web site:

<http://www.en2.unige.it/>

For grants and accommodation, it is suggested to visit the website: www.arsel.liguria.it, while for tuition fees the link is: <http://www.studenti.unige.it/tasse/>
